Dear Marina Revazishvili

### Professional Certification Program

I refer to your application for exemption accreditation in respect of the above programme.

I am pleased to advise that ACCA has now fully assessed this programme for accreditation. Cohorts will be eligible for exemption as follows:

Professional Certification Program	
Accountant in Business Management Accounting Financial Accounting	On completion
Corporate Law	Georgian Business Law
Taxation	Georgian Taxation
Financial Reporting	Financial Reporting
Audit and Assurance	Audit & Assurance

This programme will hold accreditation for a period of 5 years, for graduates from 01/01/2019 to 31/12/2023. If any module changes should occur within this period, please let ACCA know as soon as possible.

Exemption from papers PM and FM have not been awarded in this instance. I have attached a detailed report outlining why I was unable to award the exemptions.

I have also attached a copy of ACCA's A Practical Guide to Writing Assessments. It gives the background to understand various elements that you need to consider when writing your own assessments. It also has information on the intellectual levels relevant to ACCA exams. Finally gives guidance around what the criteria mean from a practical perspective, including examples of questions.

Full details of the syllabus, study guide and examinations are available on ACCA's website at <http://www.accaglobal.com>. This accredited programme will be communicated externally by
